

BIO: Dave Boyd

Dave started teaching himself to play guitar in the spring of 1971, his junior year in high school. He started writing gospel songs about a year later. He played in several contemporary Christian bands and did some solo stuff over the next dozen years or so. He married his wife, Sharon, in 1976. They are still together. Over the years his musical taste underwent some changes.

He credits the Flying W Wranglers for getting him hooked on western music. Vern Thomson, the former leader of the Flying W Wranglers, produced his latest project, *New Horizons*. He also played some of the rhythm guitar tracks. Also in the mix are the fiddle, mandolin and lead guitar tracks by Joe Stephenson and bass tracks by Scotty Vaughn. Vern, Scotty and Joe (all former Flying W Wranglers) have formed a new band, the Colorado Wranglers and all three have vocal harmonies on the project. Dave feels really fortunate and honored that the Colorado Wranglers would take time out of their busy schedule in launching the new band to help with his project. The song, *The Drifter & the Lady*, was #7 on the Western Music Ratings chart in October, 2006 and the CD was #9 on the Western Music Ratings chart for albums in December of the same year. In the December, 2007 issue of Power Source Magazine the song, *New Horizons*, was listed at #1 on the Western/Western Swing chart after being at #16 in October and #8 in November!

Dave performs traditional and original western music, as well as traditional hymns and original gospel tunes. He plays banjo, mandolin, bass fiddle and fiddle, in addition to the guitar. He has played all of these instruments on his first two recording projects and with several bands. He is currently pursuing a solo career, with his wife, Sharon, joining him onstage to perform cowgirl poetry and speaking parts in a few songs. As of June 12, 2008 retirement from his 30 year career designing highways for the Kansas Dept of Transportation means he can pursue music full-time.

Dave and Sharon relocated from Holton, Kansas to Montrose, Colorado at the end of 2008. They will be travelling from this new location to perform their music and poetry where ever the opportunity arises.

In June of 2004 he won the AWA – Heartland Chapter's 2004 Horizon Award contest for music.

He is currently a member of the following organizations:

- Western Music Association
- AWA – Heartland Chapter
